NOTE: Only records and performances that have been approved through the proper process are included in the National High School Sports Record Book. For a record or performance to be published in the record book, the application form must be completed and approved by the home state athletic/activity association. Forms can be obtained through the state associations or the National Federation. Candidates are encouraged to make application promptly after an outstanding performance.

The National Records Committee has set forth a number of criteria that must be met to ensure that only worthy individuals or teams are included in the record book. Individuals should contact their state association or the National Federation regarding policies.

All listings in the 1990 National High School Sports Record Book are through the 1988-89 school year. Applications for the 1991 book were to be received by April 1, 1990 in the following sports (football, cross country, field hockey and volleyball); May 1, 1990 (basketball, wrestling, ice hockey, soccer and gymnastics) and by August 1, 1990 (track and field, baseball, softball, golf, tennis and swimming). The listing of schools in the record book includes the city, the name of the high school and the state. In cases where the city and the name of the high school are the same, just the city and state are listed. (Example: Chicago Brother Rice, IL, refers to Brother Rice High School in Chicago, Illinois. El Segundo, CA, refers to El Segundo High School in El Segundo, California.)

If sufficient material is available, the current top 10 performances in specific categories are listed. If fewer than 10 are listed, additional information is not available.

FOREWORD

The National Federation of State High School Associations is proud to present the 12th edition of the **National High School Sports Record Book.** As the organizations responsible for protecting and promoting high school athletic programs in the United States, the National Federation and its membership acknowledge an obligation to make this publication available.

The **National High School Sports Record Book** will bring proper recognition to high school boys and girls, coaches and teams who have achieved outstanding performances in interscholastic athletic competition. The National Federation believes such recognition helps stimulate interest in high school athletic programs and motivates other competitors to improve their skills. Moreover, National Federation guidance of the national interscholastic records program will assure that only deserving teams and individuals will lay claim to national records.

The National Federation Records Committee oversees the interscholastic records program. The committee, which meets annually in July, forms policy which it believes is necessary to make the records program reliable and the records authentic. Occasionally, new policies have required deletion of performances which appeared in previous editions. The National Federation invites information which may lead to additional records listings or corrections of existing listings.

The National Federation would like to express its sincere thanks and appreciation to the many people who helped in the gathering of material contained in the 1990 edition of the **Record Book.**

A list of credits for photographs and other material contained in this 12th edition follows the records listings as well as the honor roll of inductees to the National High School Sports Hall of Fame located at the National Federation office in Kansas City, Missouri. The Hall of Fame honors high school athletes, coaches, officials and others who have made outstanding contributions to interscholastic athletics. The names of several of these Hall of Famers also appear on all-time lists contained in this Record Book.

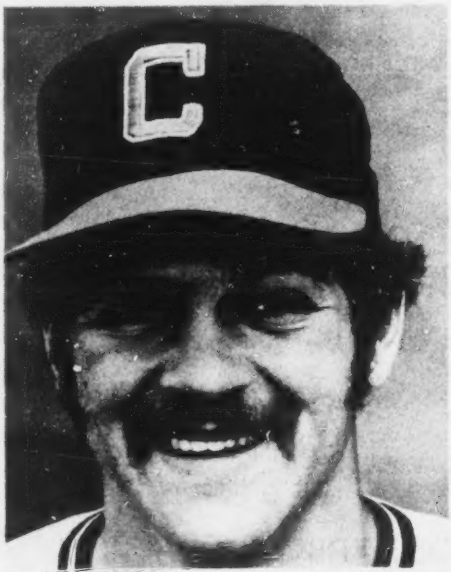
Major stockholder in the prep record book



Dave Clyde was a prep phenomenon. He was once listed in 14 separate categories in the **National High School Sports Record Book** and his name still permeates the pitching categories.

Clyde is listed among the pitching leaders in 11 categories and heads the national listing in five departments. His 842 career strikeouts are 113 ahead of No. 2 **Allen Rath** of **Riverside, Iowa,** and he is the only hurler in prep history to register over 300 strikeouts in a season.

Clyde's true dominance is shown in the number of times he is repeated. The **Houston Westchester** star is the only prep hurler to be listed twice for most shutouts in one season son and most consecutive shutouts. His 327 and 251 strikeout totals from 1973 and 1972, respectively, rank first and eighth in the seasonal strikeout category.

No less than 43 times did Clyde strike out 10 or more batters in the 61 games he started. Only four times over the last two years of his career did he allow five or more hits.

Prep baseball's first ace

Few high school performers have ever showcased their talents in as dramatic a fashion as **Ken Beardslee,** pitching great from **Vermontville, MI.**

During his short 25-game high school career he struck out 452 hitters, won 24 of 25 pitching decisions, tossed eight no-hitters and two perfect games. His lone setback was also a demonstration of pitching brilliance as he dropped a 1-0 verdict his senior year.

The Michigan strikeout artist averaged better than 18 strikeouts a game and in 1949 averaged over 19 whiffs a game, striking out 209 in only 11 contests. He once set down 25 hitters on strikes in a 10-inning triumph over Holt. Another of his top strikeout performances came in a one-hitter when he registered 20 K's against Saranac and in a no-hit effort against Potterville he chalked up 19 strikeouts.

The prep standout went on to sign for $6,000 with the **New York Yankees** in 1949. The aspiring young pitcher was one step from the big leagues when a back injury in the International League prematurely halted his career. His record in the Yankees' minor league chain was an impressive 62-24, including a 32-8 standard over his final two seasons.

When his playing days ended, Beardslee continued to lend talents to the game of baseball by conducting camps in Indiana and scouting for the **Pittsburgh Pirates** for nearly 20 years. Among the talents he came up with for the Pirates was **Dave Parker,** power hitting outfielder who paced Pittsburgh to a world championship in 1979.

*TOUGH OUTS — **Jaymie Stum** (top left) of **Elliottsburg West Perry, PA,** hit 27 consecutive games, tied for the fifth best streak ever, during the 1980 season. During the span he fashioned a 42-for-82 showing for a sizzling .512 average. **Keith Roy** (lower left) had a dream day at the plate for **Collinsville Canton, CT,** in 1981 when he paced his school to a 17-8 victory over Torrington Oliver Wolcott Technical. He became one of 26 prep players to record six hits in a contest. **Adam Scales** (right). of **Adairville, KY,** put on one of the most awesome run-producing displays in prep history in 1981. In leading Adairville to a 10-5 win over Todd County Central, Scales registered back-to-back grand slam homers in the opening two innings of the contest. He finished the game with a three-for-four performance that included 10 RBI while figuring in all of Adairville's scores.*

STATE CHAMPIONS

GOOSE EGGS — Former ***Houston Astros'*** *righthander* ***James Rodney (J. R.) Richard*** *was the first prep to be listed in both the hitting and pitching sections of the* ***National High School Sports Record Book.*** *The righthanded strikeout artist did not allow an earned run in 1969, his final year at* ***Ruston Lincoln High School*** *in* ***Louisiana.*** *Just as imposing at the plate, he is one of only 19 preps to hit four or more home runs in one game, turning the feat against Jonesboro Jackson in a 48-0 rout. The performance also garnered him 10 RBIs, six short of the national all-time high.* ***Kelly Owens*** *(right) of* ***Junction City, AR,*** *was nearly untouchable while registering a 45-2 career record from 1979 to 1981. He produced records of 10-1, 17-0 and 18-1 and established the nation's fifth-best mark by chalking up 32 consecutive victories. His 24 shutouts are second only to the national best of 29 established by David Clyde of Houston Westchester, TX.*

CHAMPIONSHIP FORM — *In the 1960 Texas State Conference AAA baseball final,* ***Seguin,*** *behind the no-hit hurling of* ***Chuck Hartenstein*** *(top left), blanked Snyder 3-0 for the coveted title. The smallish pitcher, known affectionately as "Twiggy" by his teammates, had stints with several major league clubs in his career, including the Chicago Cubs. In 1967, Los Angeles Dodger standout,* ***Burt Hooton*** *(right) led* ***Corpus Christi King*** *into the Texas Conference AAAA state final game by hurling a 2-0 no-hitter against Houston Lee in the semifinals. King went on to win the state crown, besting Abilene Cooper 1-0 in the final.* ***Ken Holtzman*** *(lower left) once pitched a no-hitter in the Missouri state semifinals for* ***University City.*** *University City, who beat Springfield Hillcrest 4-0 behind Holtzman, won the state title that year (1963), downing defending state champion Cape Girardeau Central 6-3 in the finale. Following his prep career Holtzman enjoyed a successful and lengthy big league career, touring with the Cubs on two occasions as well as the Oakland A's and New York Yankees during the two American League clubs' championship years in the 1970s.* ***Floyd Webb*** *(lower right) of* ***Kellyville, OK,*** *put his name in the record book by stealing 79 bases during the 1986 season, good for third place all-time.*

*ILLUSTRIOUS PATH — **Bill Bradley** (above left) during the glory years of the New York Knicks of the '70s. Today (above right) the former Rhodes Scholar serves the nation as a United States senator.*

From little Crystal City to Congress

From a small city in Missouri to one of the highest-ranking offices in the nation's government, United States Senator **Bill Bradley** (D-New Jersey) has pounded a few roads to get where he is today.

Bradley was born and raised in **Crystal City**, where he scored 3,068 points in his four-year high school career. Spanning 1958-61, Bradley scored at a 27.4 points-per-game clip through his 112-game high school stint. Playing for coach **Arvel Popp's** Hornets, Bradley amassed 404 points his freshman season, 672 as a sophomore, 946 as a junior, and closed out his sparkling career with 1,046.

Bradley led the Hornets into the final four of the Missouri state tournament three times but the elusive title escaped Crystal City all three years. The Hornets finished fourth in his sophomore year, third when he was a junior and lost to St. Louis University in the finals 52-51 his senior year. Crystal City had beaten University previously that same year.

Bradley pumped in 20 or more points in 89 of his 112 high school games. Included were 12 games of 30 or more points, seven of 40 or more, and two of 50 or more.

Born in 1943 to banker Warren Bradley and wife Susan, the senator resided in Crystal City until he enrolled at Princeton University in New Jersey. There Bradley continued to excel on the hardwood and also gained recognition for his classroom achievements as well. He was named to an All-American squad twice and helped the United States team garner a gold medal in the 1964 Olympic Games.

After graduating a Rhodes Scholar in 1965, Bradley went overseas to Oxford for two years before returning home to play for the New York Knicks of the National Basketball Association (NBA). His illustrious 10-year pro career ended in 1977.

***SEASONS TO REMEMBER** — The national record for best rebound average in a season is held by **Lavon Mercer** (left), a product of **Metter, GA.** The high-flying Mercer claimed 30.8 rebounds per game his senior year (1975-76). The 1979-80 campaign for **Bobby Joe Douglas** (right) of **Marion, LA,** was one to remember and one for the record book. Douglas scored at the rate of 54.0 points per game, best in the history of high school basketball. His best effort was a 93-point output in Marion's 116-44 triumph over Ouachita Christian when he poured in 54 second-half points and tallied 36 in the final quarter. The Marion scoring machine also scored over 70 points on four occasions, reached the 60s seven times and was above 50 points in 23 contests.*

AHEAD OF THE CROWD — *One of only three performers to ever win four state championships,* **Mark Johnson** *(left) of* **Mason City** *swept Iowa individual honors from 1969 to 1972. He is joined on the prestigious list by* **Jerry Garcia of Northern Normal El Rito,** *who won New Mexico crowns in 1962-65, and recent addition* **Femandel Omaesoo** *of* **Browning,** *the individual Montana winner from 1977 to 1980.* **Andy Montanez** *(right) captured three consecutive Colorado Division II crowns for* **Rocky Ford** *in 1974, 1975 and '76.*

A family affair . . .

*When **Scott Cornwell** of **Parkton Hereford** captured a Maryland state cross country title in 1970, one of the most remarkable family accomplishments in prep history was underway. Brother **Greg** matched Scott's accomplishment by winning the state championship in 1971 and then younger brother **David** topped them both by winning three consecutive state crowns. After dominating state competition from 1970-74, the Cornwell family briefly loosened their hold on the field until 1977 when **John** became the fourth and final member of the family to capture state championship honors.*

CHARGERS TO VICTORY — *When it comes to dual meets, the boys cross country team of **Blackstone-Millville, MA**, is hard to beat. Pictured above is the 1988 team from a school that won 209 dual meets in a row from 1974 to 1988 and is second on the all-time list for most consecutive dual meet victories by a high school boys cross country team.*

***STAR GOALIES — Anita Emery** (above) of **Milford Delaware Valley, PA,** was nothing short of spectacular in her three-year career. Emery collected 42 shutouts, including 17 in 1976 and 15 in 1977. Her goals against average for her 51 high school games was a stunning 0.22, allowing only 11 goals, while pacing MDV to a 47-3-1 record. Continuing in this fine tradition during 1978 was **Beth Case** (below) who allowed only 6 goals during a 17-game regular season for MDV. She gave up only one goal — on a penalty stroke — during six district and state tournament games, leading MDV to a 22-0 record and the state crown. She had 17 shutouts, tying Emery's then national single-season record. In 1979, Case had 15 shutouts and allowed only two goals as MDV posted a 17-1 record for the season.*

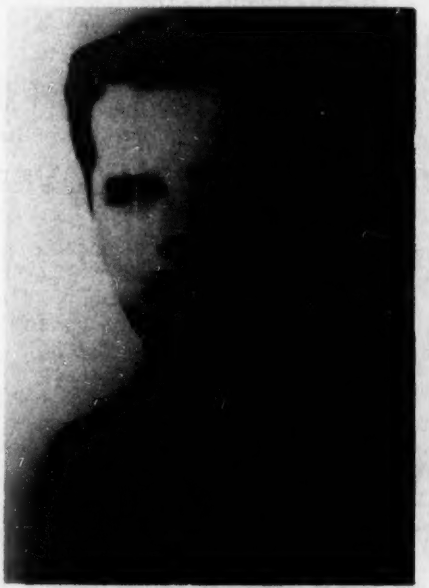
The "Sugar Land Express" stands alone



The colorful history of high school football is composed of countless outstanding offensive performers who have taken on legendary status. The impressive list is almost endless — Red Grange, Dike Eddleman, Gale Sayers, Billy Sims, Earl Campbell, Pat Haden, Herschel Walker, and on and on and on.

The best of all time? Easy — **Ken Hall,** who during his sensational career established 17 national offensive records while running out of the tailback position in **Sugar Land's (Texas)** potent single wing attack. Attesting to his dominance in the sport are several current national records which have endured three decades of assault from nearly one million players every year.

Among the numerous career accomplishments of the "Sugar Land Express" is the distinction of being the only player in prep history to rush for over 11,000 yards during his career. Hall's total of 11,232 is 2,400 yards more than runner-up Emmitt Smith of Pensacola Escambia, Florida. He is also the all-time national total offense leader, having accumulated 14,558 yards.

Also the first player to rush for over 4,000 yards in a season, Hall galloped 4,045 yards in 12 games during his senior campaign in 1953, averaging over 300 yards per outing. In addition to the record-setting 1953 showing, he holds down the No. 3 spot on the single season rushing chart as well with 3,458 yards in 1952.

His offensive accomplishments border on the incredible since he seldom saw extensive second-half action. During his career he recorded 38 100-yards rushing performances, including 21 consecutive games in which he surpassed the century mark during the 1952 and '53 seasons. His total offensive showing of 5,146 yards in '53 is a national best and represents an amazing one-man offensive showing of 428.8 yards per contest.

Hall's finest hour may have come against Houston Lutheran on October 9, 1953. On only 11 carries that day he rushed for 520 yards, an average of 47.3 yards every time he touched the ball. He also returned a kickoff 64 yards, ran back a punt 82 yards and returned an interception 21 yards en route to scoring seven touchdowns. Typically, he played but a few minutes in the second half of the contest.

Following his legendary prep career, Hall went on to play under Paul "Bear" Bryant for three years at Texas A&M and then played professionally with several clubs in the Canadian Football League, American Football League and National Football League.

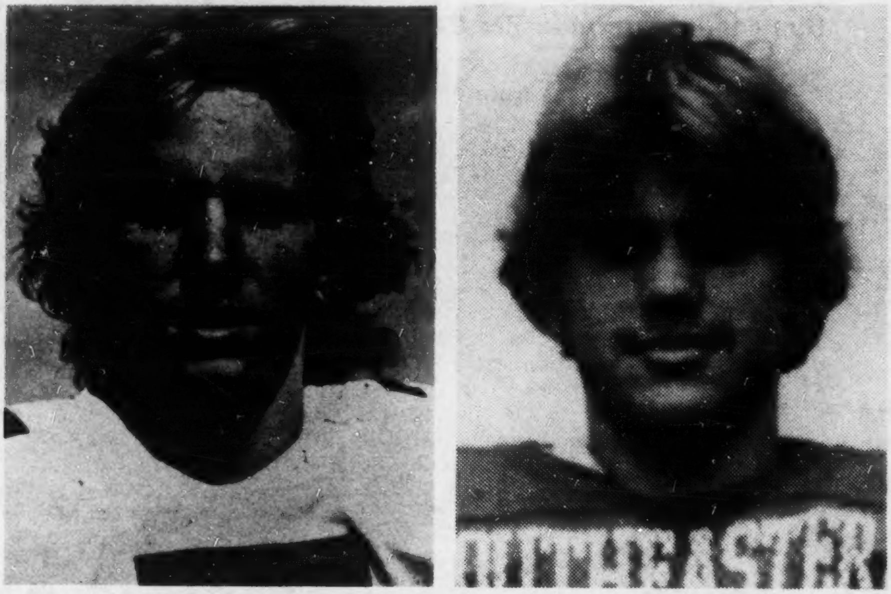
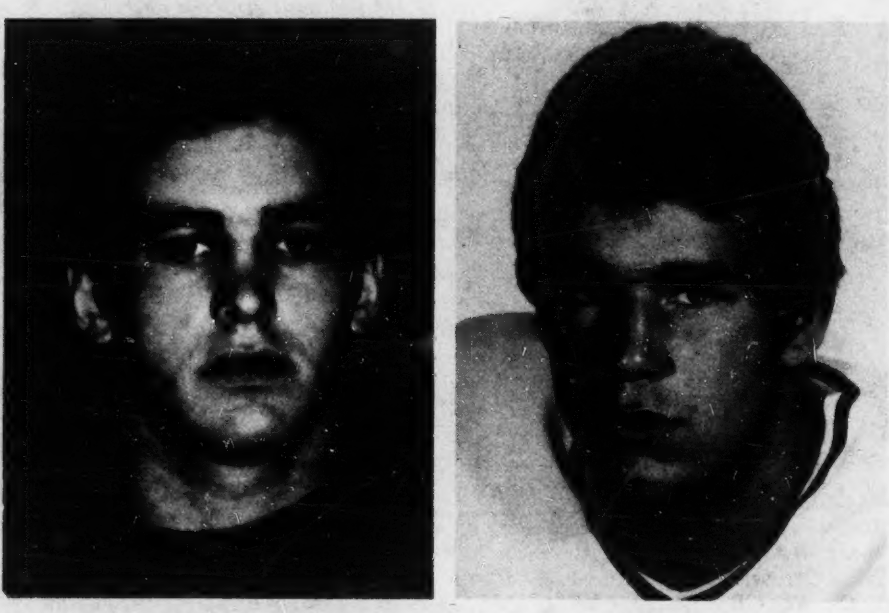
***FLORIDA FIREPOWER** — Two of the finest pure passers in high school history displayed their talents at the same school — **Tallahassee Leon (FL)** — and then went on to enjoy success as teammates at Florida State University where they shared quarterback chores in leading the Seminoles into the national spotlight. **Wally Woodham** (left) paced Tallahassee Leon's passing attack in 1974 by throwing for 3,571 yards — then a national record — on the strength of 248 completions. The following year **Jimmy Jordan** (right) shattered Woodham's records, becoming the first player to pass for over 4,000 yards (4,098) in a season. He also is No. 5 and No. 4, respectively, with 471 attempts and 263 completions in a season.*



PASSING ARTISTS* — *Ron Cuccia* *(left) of* ***Los Angeles Wilson *is second in career passing yardage (8,804) from 1975 to 1977. He also is ranked in seven other passing categories.* ***Ron Moyer*** *(right) of* ***Hamilton (IN) Southeastern*** *is another 6,000-yard passer with 6,167 from 1978 to 1981. He is tied for No. 6 in touchdown passes in a season with 41.*



6,000-YARD CLUB* — *Tom Mountin *(left) of* ***Elmwood, WI,*** *and* ***Gary Kubiak*** *of* ***Houston St. Pius*** *are two more of the 22 quarterbacks to pass for 6,000 or more career yards. Mountin had 6,377 from 1980 to 1983, and Kubiak 6,190 from 1975 to 1978.*

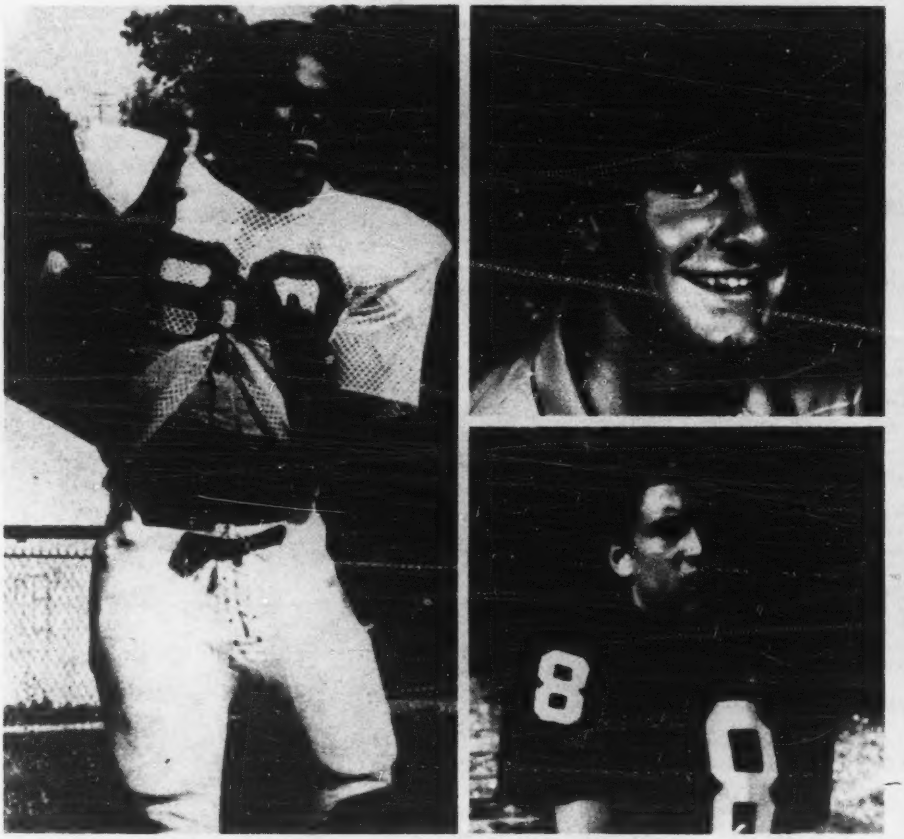
***CALIFORNIA CROWD PLEASERS** — The favorite receiver of quarterback **Pat Haden** (left) at **La Puente Bishop Amat, CA,** was **John McKay Jr.** (right). Both are shown playing for the University of Southern California where they formed one of collegiate football's top tandems. As high school teammates, Haden and McKay rank as perhaps the most devastating combination in prep football history. As one of the most accurate high school quarterbacks ever, Haden completed 62.0 percent of his passes from 1968 to 1970 and threw for 82 touchdowns. In 1969 Haden set then national standards for both percentage (67.9) and touchdown passes in a season (42) and is one of five prep quarterbacks to toss for more than 7,000 yards and complete 500 or more passes during a career. Haden, a Rhodes Scholar, went on to play for the Los Angeles Rams of the National Football League. As Haden's main target, McKay holds the national record for most touchdown catches in a season (29) and ranks in the top 10 in eight other categories. McKay concluded his prep career with 207 receptions for 3,389 yards and 48 touchdowns. McKay went on to play for his father, John McKay Sr., then head coach of the Tampa Bay Buccaneers of the NFL.*



DEEP THREATS — *In 1980* ***Terry Bell*** *(left) of* ***Waynesville, MO,*** *established a national single-season receiving mark (now fifth) by averaging 133.1 yards per game. He had 1,065 yards and 57 catches.* ***P. K. Williams*** *(upper right) of* ***Lizton (IN) Tri-West*** *closed his career in 1985 with 187 pass receptions, good for eighth all-time.* ***Jerry Hamilton*** *(lower right) of* ***Carpinteria, CA,*** *hauled in 27 TD passes in 1979, and tied for the No. 2 spot all-time.*

Fullwood was a one-man band for St. Cloud in a 47-28 triumph over Leesburg. All in all he scored 33 points — five touchdowns and three PAT's — while rolling up 457 yards of offense from rushing, receiving and returns. ***FOUR-TIME CHAMP — Karen Socha of Greeneville, TN,** is one of six high school girls golfer to win four consecutive state titles. Her streak began in 1982 and ended in 1985. In addition to the six four-time champs, 13 other high school girls golfers have won three consecutive state championships.*

Four (fore!) sets of sisters win titles

The **Xavier College Preparatory** girls golf team of **Phoenix, AZ,** did more than just set the national record for most consecutive golf titles with nine from 1979 to 1988. During the winning streak, four sets of sisters at the private school for girls won individual state golf titles as well.

It all began in 1979 when **Heather Farr** won the first of three consecutive state golf titles — one of only 19 high school girl golfers to accomplish that feat. Heather won state titles in 1979, 1980 and 1981. The next year, her sister, **Missy Farr,** won the individual state championship. In 1983 **Colleen Draeger** kept the state individual title at Xavier College Preparatory and so did her sister, **Laura Draeger,** who won the state championship in 1984. The sister-to-sister connection continued when **Paige Gilbert** won the individual state title in 1985, and the following year her sister, **Heidi Gilbert,** became state golf champion. In 1987 **Lisa Carriell** won the state golf title, and in 1988 her sister, **Tricia Carriell,** followed in her footsteps.

The golf coach for all of the aforementioned state champions, **Sister Lynn Winsor,** credited the sibling winning streak to the fact that in the community families regularly play golf together and the children hone their skills on the golf course.

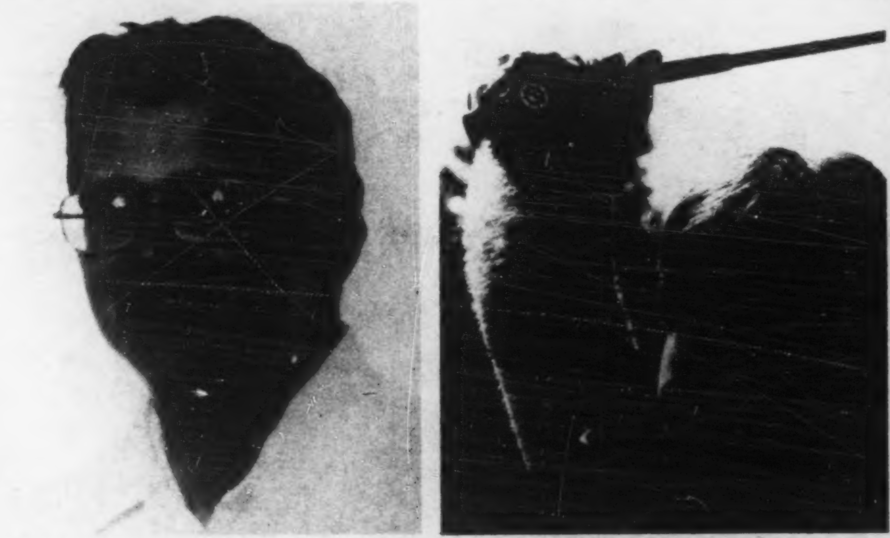
Prep stars scoring big in pro ranks

While none of the three-time state champs has made a big hit in professional golf, some of the present PGA stars did enjoy noteworthy success on the high school level. For example —

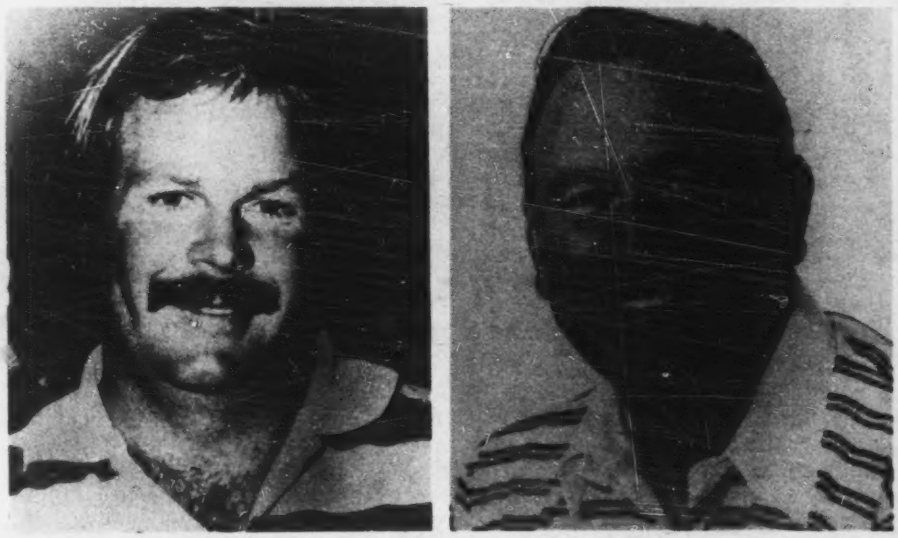
Jack Nicklaus, considered by many to be the best professional golfer of all time, left his mark not only in the college ranks at Ohio State but also on the high school level while at Columbus **Upper Arlington, Ohio.** The "Golden Bear," winner of virtually every major professional title, led the Golden Bears (believe it or not) to the state championship crown in 1956 while scoring the second lowest 36-hole total in the state's high school championship series. The blond bomber stroked a masterful 144 in pacing Arlington to one of its thirteen championship titles. Nicklaus' 148 in 1957, though good enough for his second championship, wasn't enough for Arlington to overcome Cincinnati St. Xavier.

Tom Kite and **Ben Crenshaw** combined to hold on to the Texas Conference Class AAAA crown for four straight years. Kite, playing for **Austin McCallum,** scored championship rounds in 1967 and '68 before Crenshaw took up the reigns, winning individual titles for rival **Austin High School** in 1969 and '70.

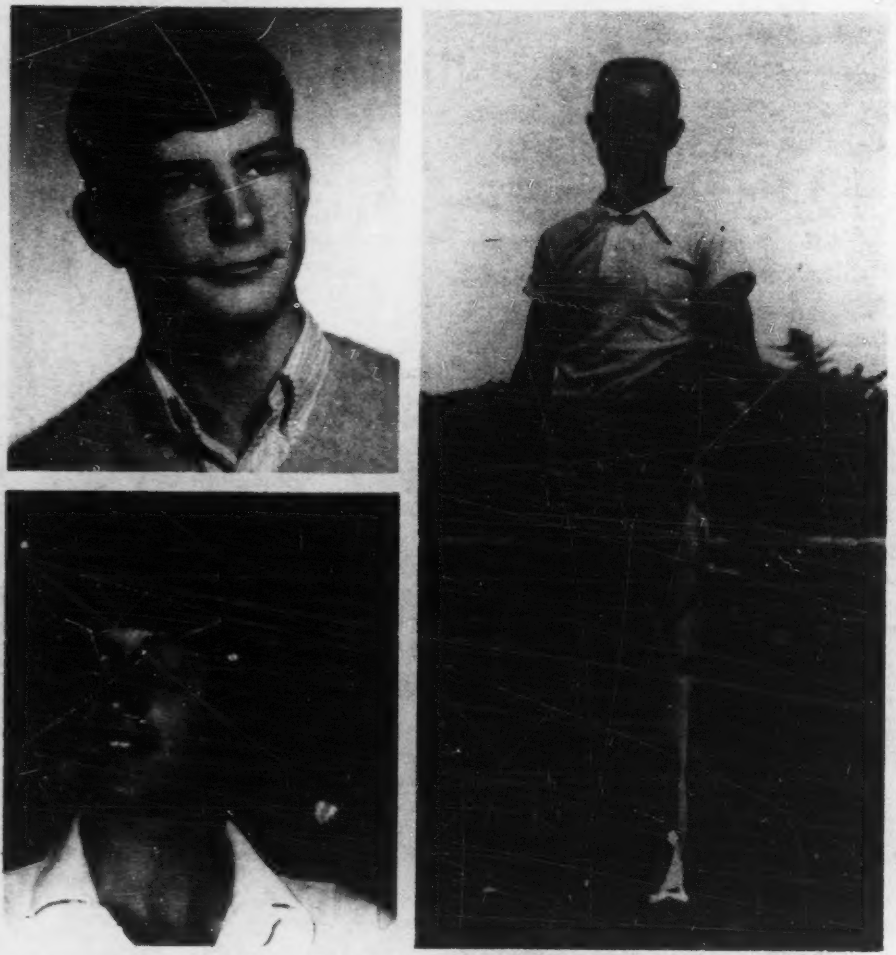
Andy North, the 1978 United States Open champion, captured a pair of high school crowns in Wisconsin. The **Monona** star shot a 152 in winning the 1966 title and a sparkling 143 in garnering the '67 crown.



*MEDALISTS — **Clarksville, TN,** product **Mason Rudolph** (left), another pro to climb the ladder from the high school ranks, won his state's individual honors twice. He captured titles in 1951 and '52, scoring the lowest 54-hole total ever with a 206 in the 1952 event. **Tom Watson** (right), who has won virtually every major championship as a professional, also was a two-time state medalist as a prep. The **Kansas City (MO) Pem-Day** product took individual honors with a 70 in 1966 and then toured 27 holes the following year in 108 strokes.*



*ALL-TIME GREATS — Touring Professional Golfers Association (PGA) player **Craig Stadler** (left) was an outstanding prep golfer in California long before he burst on the professional scene with a string of major victories in the 1980s. The **La Jolla, California,** graduate shot a blistering 141 total over 36 holes to capture the California Interscholastic Federation Four-Section championship in 1971. PGA legend **Billy Casper** (right) found winning at the prep level almost as much of a challenge as winning at the pro level. Casper, while attending **Chula Vista High School** in California, won the CIF-Southern Section championship only once in three tries. The 1949 champ, winner of a sudden-death playoff, finished second his other two attempts.*



***DOWN THE MIDDLE** — Only 19 players in prep history have captured three or more state golf championships. **Mike Barnett** (top left) is the only Montana boy to accomplish the feat, winning crowns in 1967, 1969 and '70. **Chris Perry** (bottom left) of **Edina West** claimed three Minnesota Class AA state tournament wins, including a one under par 141 showing in 1980. **Dale Howell** (right) of **Larned** added his name to the impressive contingent by winning Kansas crowns from 1950 to 1952.*

***MOWING 'EM DOWN** — Over the 1982 and '83 seasons **Julie Bolduc** (left) of **Southington, CT,** established herself among the top pitchers in softball history. In '83 she tossed a then national record 20 shutouts en route to a perfect 23-0 record that pushed her career mark to 45-1. Included were 15 consecutive shutouts which lifted her career shutout count to 36. As a junior in 1982, she fashioned a sparkling 22-1 record and near-perfect 0.24 ERA that was highlighted by one of the most remarkable strings of scoreless pitching ever. As a senior she turned in 129.2 innings without allowing an earned run, the best showing ever recorded. **Michele Broussard** (right), of **Vandebilt (LA) Catholic** closed out perhaps the most remarkable pitching career in prep history in 1983 by posting a 27-0 record that brought a fitting end to a near-perfect four-year stretch. During her career the undefeated righthander posted a national record 88-0 ledger, while pacing Vandebilt to four consecutive state crowns and a national best of 112 consecutive wins. All in all, she is in the top 10 for victories in a season, having gone 32-0 as a sophomore and 27-0 her last two years. She also had 684 strikeouts as a result of three successive 200-plus campaigns.*

***JAEGERS DOMINATE ILLINOIS TENNIS* — *Susy Jaeger* (right), of *Prairie View Stevenson*, in Illinois state final action. In 1978 Jaeger became the second girl in the state's tournament history to win three singles titles. She could have become the first Illinois girl and a member of an elite group nationally to win four singles titles, but was upset by *Hinsdale Central's Susan Whitney* in the semifinals of the 1979 tourney. Freshman sister *Andrea Jaeger* defeated Whitney, 6-3, 6-0 in the finals; so the 1979 championship trophy stayed in the same family. Andrea repeated as state champ in 1980 and then went on to dazzle the world at Wimbledon, where she became the then youngest player ever to reach the semi-finals.*

TEXAS GREATS — **Beth Kothmann** *(top left) of* **Junction High,** *captured Texas Class A state singles titles in her sophomore, junior and senior years, after winning the state doubles crown with Lorna McDonald as a freshman in 1964. Her brother, Greer, won four boys singles titles from 1958 to 1961.* **Brenda Cook** *(top right) began a championship tradition at* **Junction** *by claiming four state championships in 1959-62, becoming the nation's second four-time champ.* **Stephanie Letz** *(bottom left) of* **Old Glory** *became the next Texas standout to win four successive singles titles by accomplishing the feat from 1964 to 1967. The latest four-time winner from the Lone Star state,* **Pam Hill,** *(bottom right) dominated the girls singles scene from 1975 to 1978, winning four consecutive championships while at* **Beaumont South Park.**

***In all events where both the metric and British distances are listed together, the Honor Roll is in the metric measure, and the Progression of Records and the National Record are in the British measure. In this case, the national record time for the British distance performance is better than that recorded for the shorter metric distance performance.**

__COACHING LEGEND — Earl F. Quigley__ guided __Little Rock__ (now Central) to 18 consecutive Arkansas boys state track championships during the 30 years he coached there. At one time, his teams lost only two of 100 track meets. His football teams posted 134 wins, 61 losses and 12 ties (.687 percentage) and won seven state championships. His basketball teams won 306 games against only 95 losses (.763 percentage) and captured six state titles. His baseball teams went 207-37 (.848) and were state champs nine times. His overall coaching record of 760 wins, 190 losses, 11 ties (.791 percentage) and 40 state championships is one of the truly great records in all of sports.

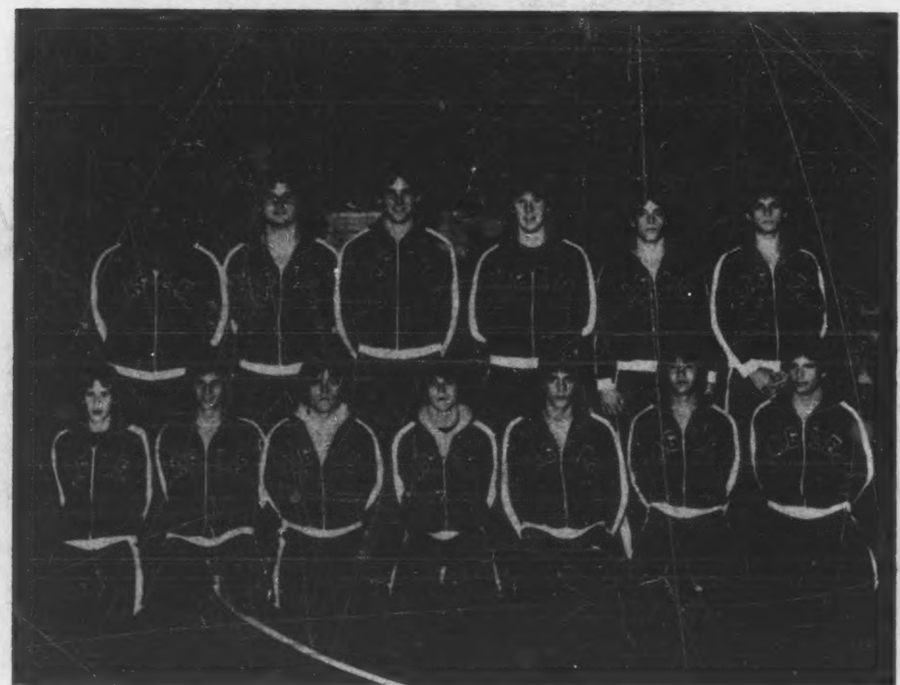
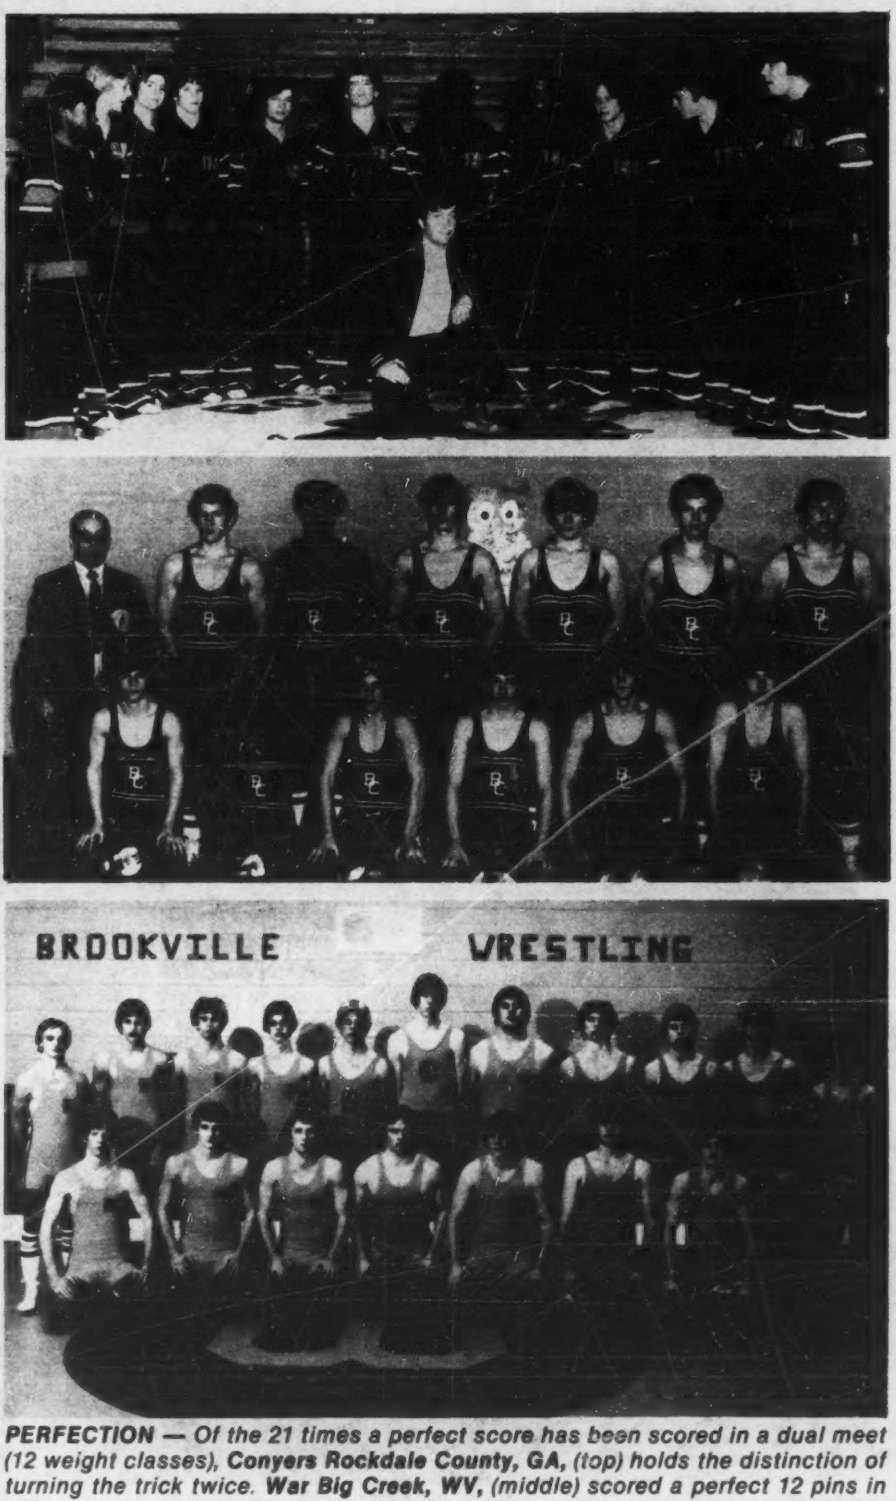
TAKEDOWN TITANS — *On January 26, 1989, the wrestling team of* ***Platte County R-III, MO,*** *(pictured above) established a national record for most takedowns in a dual meet with 85 against* ***West Platte, MO.*** *The squad finished the dual meet season with 585 takedowns, the second-best mark of all time.*



STREAKING — *Pictured is the 1984-85* ***Brandon, FL,*** *team. The school has the nation's all-time mark for consecutive dual-meet victories with 189 from 1973 to 1989.*



***PERFECTION** — Of the 21 times a perfect score has been scored in a dual meet (12 weight classes), **Conyers Rockdale County, GA,** (top) holds the distinction of turning the trick twice. **War Big Creek, WV,** (middle) scored a perfect 12 pins in 1974 while **Lynchburg Brookville, VA,** (bottom) logged their record performance in 1981.*

***ALL-TIME BEST** — One of the top 10 teams to register 100 or more consecutive dual meet victories, **Elma Iroquois Central, NY,** ranks third on the list with 150. The Chiefs, who reached the plateau under the direction of two coaches, were left in tears when the streak ended in January 1967, after 11 years of winning. Iroquois Central dedicated its then record-breaking 141st win to former coach **Norm Foster,** who had directed the first 129 victories of the streak. Coach **Duane "Pat" Patterson** (second row, far left) headed the final 21 wins.*

PHOTO AND MATERIAL CREDITS

The National Federation and the editor of the *National High School Sports Record Book* would like to sincerely thank all the many people and organizations which have made this book possible. To list everyone who has made a contribution to the *Record Book* would be impossible. Below is a modest attempt to credit photographers, photograph sources, main contributors of information used in photo captions and stories, and the newspapers and sportswriters who have contributed work to the book. To everyone not listed, a sincere apology. Your contribution, no matter how small, was just as important in making the 12th edition a success.

NOTE: Where only the name of the city, school, and state are mentioned, credit is to that high school.

National High School Sports Hall of Fame

The National High School Sports Hall of Fame, which is located at the National Federation office in Kansas City, Missouri, was started in 1982 as a way to honor high school athletes, coaches, officials and others who have made outstanding contributions to interscholastic athletics.

With the addition of 15 inductees in 1990, there now are 121 members of the National High School Sports Hall of Fame. Special plaques containing photographs of all Hall of Fame members are on display at the National Federation.

Twenty-seven Hall of Famers are listed in the National High School Sports Record Book for various accomplishments, including basketball star Bill Bradley; Jim Ryun, who still holds the national high school mile record; Cheryl Miller, who owns the five-girl record for points in one game; track immortal Jesse Owens; Gordon Wood and John McKissick, the winningest football coaches in history, and football star Ken Hall, who owns more records than any individual in the record book.

Anyone can nominate an individual for the Hall of Fame, which culminates each summer with the Induction Ceremony. To obtain nomination forms, contact Bruce Howard, Hall of Fame Director, National Federation, 11724 Plaza Circle, Kansas City, Missouri, 64195.
